Education

Graphic Era Deemed to be University, Dehradun *2023 – 2027*
B.Tech in Computer Science and Engineering CGPA: 8.80

Jai Hind Public School *2022 – 2023*
Class XII, CBSE Percentage: 78.80%

Lord Mahavira Academy *2020 – 2021*
Class X, CBSE Percentage: 84.40%

Extra-Curricular Activities

Core Member – Code Craft Community (IEEE) *2024 – Present*

- Mentored 7+ peers and organized 5+ coding sessions, helping students improve logical thinking and programming skills.
- Managed 5+ community events and collaborated with 3 clubs, increasing coding challenge participation by 40%.

Achievements

Smart India Hackathon (SIH) 2024 – Finalist

- Developed *Ram Setu*, a healthcare solution to streamline OPD queues, bed availability, and patient admission.
- Coordinated project management tasks including timeline planning, role delegation, and documentation.
- Represented the team in discussions with mentors and judges, showcasing leadership and teamwork.

IIT Roorkee COMET 2025 (AlgoVision) – Top 7

- Analyzed Zepto's Quick Commerce dataset and identified key operational bottlenecks.
- Proposed data-driven solutions to optimize delivery efficiency and enhance customer satisfaction.
- Managed coordination among team members during multiple event rounds, ensuring smooth collaboration.

Projects

LabourzKart *MERN Stack | 2025*

- Platform connecting vendors and customers for construction services—features include vendor registration and job postings.
- Includes secure authentication, an admin panel, and responsive design for seamless user experience.

SecureVision *HTML, CSS, JavaScript, Python | 2024*

- Real-time surveillance system with motion and object detection using OpenCV (Python backend).
- Features video recording, snapshots, and a responsive web interface for monitoring.

Ram Setu *MERN + Vite | 2024*

- Built an organ donation platform with React and Node.js for donor-patient matching.
- Designed admin and user dashboards to manage donation requests and feedback.

Technical Skills and Interests

Languages: C/C++ | HTML | CSS | JavaScript | SQL | Java
Developer Tools: Github | Linux
Frameworks: React.js | Node.js | Express.js
Databases: MySQL | MongoDB
Coursework: OOP | Data Structures and Algorithms | Operating Systems | Software Engineering | Database Management System | Computer Networking
Soft Skills: Communication | Teamwork | Leadership

Certifications

- Career Essentials in Generative AI by Microsoft and LinkedIn
- C++ Practical - Organogram in C++ by Infosys Springboard
